

RED Rocket Desk

Assembly Time: Approximately 15 minutes.

Tools Needed:

1/4" Allen Wrench
3/16" Allen Wrench

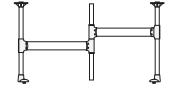

Parts Included:

A Desk Top

B Leg Assembly

C Monitor Platform

D Foot

E Desk Top Plates (2)

Fasteners Included:

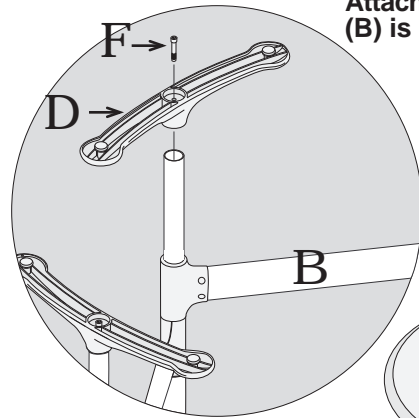

F Foot Screw

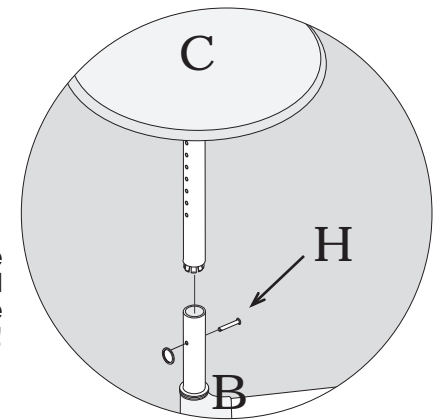

G Desk Screws (2)

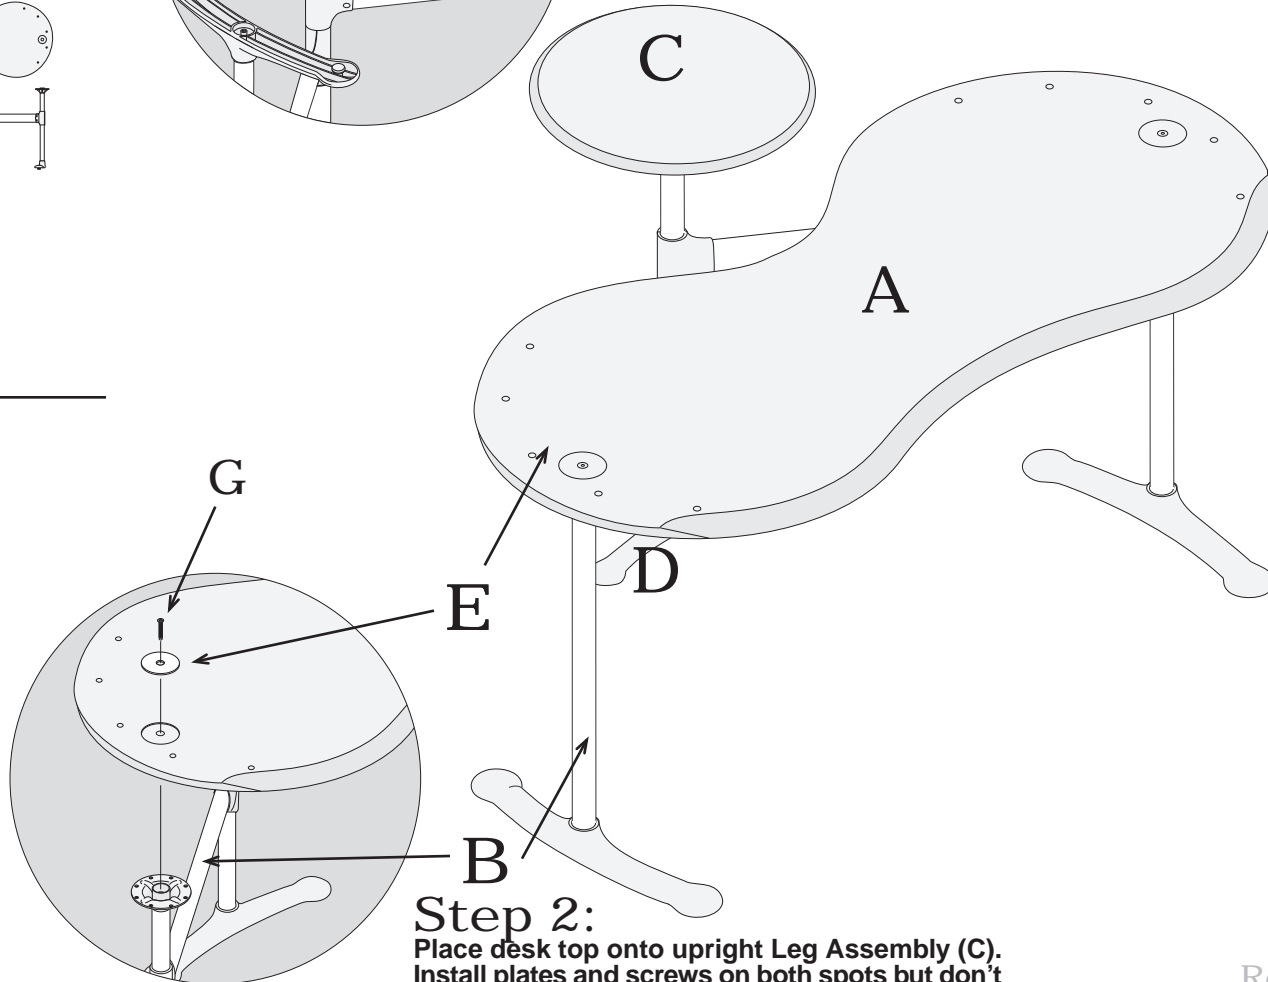

H Pin

Step 1:
Attach the center foot while the Leg Assembly (B) is upside down.

Step 3:
Remove the ring from the pin (H). Slide the Monitor Platform into the Leg Assembly and insert the pin through the pole. Secure the ring to the pin again. You're Done!

Step 2:
Place desk top onto upright Leg Assembly (C). Install plates and screws on both spots but don't tighten until you rotate the feet into position.

Cleaning Instructions:

Clean desktop surfaces, desk legs, and plastic and metal accessories with a soft cloth and a solution of mild detergent and water. Rinse with clear water and then dry with a soft cloth.

Vacuum fabric screens, wings, canopies, and other fabric-covered accessories with a bristle wand to remove dust. Spots or stains must be professionally cleaned.

Remember: Never stand on the desk.
